Faribault Licensed Providers

Allina Health Faribault Medical Center 200 State Avenue	507-497-3600	
<p><u>Partial Hospitalization Program:</u> Monday through Friday, 9:00 AM – 2:45 PM. Patients may attend in-person or virtually. Our 15-day partial programs are directed by a psychiatrist in a group therapy environment to help prevent and reduce hospitalization and support patients in their home environments. Patients see psychiatrist 2x per week.</p> <p><u>Day Treatment:</u> Tuesday, Wednesday, Thursdays from 12:30 to 3:30 PM. Patients attend virtually only. This program will help patients achieve an optimal level of functioning. The goal is to assist in overcoming obstacles that interfere with daily living, using assessment, treatment and structure to stabilize and improve mental health. (There is no psychiatric or nursing care available).</p> <p><u>Allina Mental Health & Addiction Connection Line:</u> 1-866-603-0016 24/7 resource for scheduling, questions and concerns.</p>

Erin Barnett, MA, LPCC 108 3 rd Street E.	507-403-9510	Erin Barnett, MA, LPCC
I primarily work with adults and late adolescents on an individual basis; I also offer couples counseling. My style with clients is collaborative and relatively informal. Together we identify the thought and behavioral patterns that are no longer serving the client. We then work to replace these with more skillful patterns and practices that help people experience more inner freedom and create the lives they choose. Areas of specialization include anxiety, depression, grief and loss, relationship issues, OCD and phobias, spirituality, self-esteem, and stress management.		
Accepted Insurance: Most Blue Cross Blue Shield plans, Medica, Preferred One, United Healthcare		
Free Range Mental Health 103 3 rd Street W.	507-301-3332 Fax: 507-301-3292 Website: https://link.edgepilot.com/s/a0302ab2/YLuqhsa240abQ5e44tJ19Q?u=http://www.freerangemh.com/	Dan Watts, DNP, APRN, PMHNP-BC
I provide general psychiatry services to the public and have experience with severely and persistently mentally ill (SPMI) clients. Substance abuse treatment with medication assisted therapy (MAT), mainly for opioid and alcohol use disorders, is also provided, as well as brief therapy. Specialty services at this time include Spravato, an intra-nasal Esketamine therapy for treatment-resistant depression. I am also available for psychopharmacology consultation. This practice serves adult clients only.		
Accepted Insurance: Accepts most insurances and personal payments as well.		
HealthFinders Collaborative 706 Division Street	507-646-8964 Website: https://healthfindersmn.org/	Kelli Nowak, MA, LPCC
I provide individual therapy to adolescents and adults. Areas of focus are trauma, anxiety, depression, family issues, and behavioral issues. Outpatient patient services are provided at the Northfield Clinic. HealthFinders Collaborative offers a Medication Assisted Treatment (MAT)/Suboxone clinic for opioid use disorder. Please call to schedule an appointment or if you have questions about MAT. Interpreters are available for patients who are Spanish-speaking.

Our therapists specialize in college student mental health, and have expertise with anxiety concerns (panic attacks, generalized anxiety, social anxieties, obsessive-compulsive tendencies, specific phobias) and depression. We also help clients with psychological suffering that is exacerbated by self-criticism, shame or perfectionism. We do lots of individual therapy and group therapy, and some couples counseling.		
Accepted Insurance: Most of our clients use their health insurance to help pay for our services. We are considered "out-of-network" providers for all health insurance companies, which means that we don't have any contracts with insurance companies. You will need to contact your health insurance and ask about your out of network benefits.		
Omada Behavioral Health Services 401 Division Street S., Suite A	507-664-9407 507-664-3862 (Fax)	Sarah Shippy, Med, LICSW
Omada Behavioral Health Services is an outpatient substance use disorder clinic. They are licensed by the State of Minnesota to provide outpatient substance use disorder treatment services for adults and teens. Their services include comprehensive assessments to determine the most appropriate level of care and resources, as well as individualized outpatient treatment programs to meet the needs of each client and their families. They also provide support both before and after an inpatient treatment.
