Notice of termination – 2023 Rice County spring load restrictions

Spring load restrictions on Rice County state aid highways and county roadways are hereby terminated effective Tuesday, May 2, 2023.

Rice County state aid highways and county roadways remain subject to permanent maximum allowed axle weight restrictions.

A permanent maximum allowed axle weight restriction map is posted on the Highway Department page of the Rice County website, located at www.ricecountymn.gov/613/Spring-load-restrictions.
